Unexpectedly re-available, the Chestnuts is a beautifully presented Victorian home located in this popular position close to Royal Bushy Park, transport links and schools. There are three bedrooms with an award winning secluded garden.

Stylishly designed throughout there are two reception rooms. The front reception room has an original feature fireplace with fitted storage. The restored original floorboards feature in both rooms. The second reception room is currently used as a playroom which flows nicely through to the rear of the property.

The kitchen extension has opened up this room to allow for a central island making this a sociable/family area and space to also dine. The bi-fold doors open this room out onto the secluded garden.

There are three generous bedrooms over the first and second floor which are all of a good size including two bath/shower rooms. In addition there is a cloakroom to the ground floor.

Wick Road is a turning from Bushy Park Road or Kingston Road with access to an orchard at the end of Bushy Park Road and bridge access to Bushy Park. Teddington High Street, mainline station and The River Thames are all close by.
