

Cole Road, TW1

£775,000

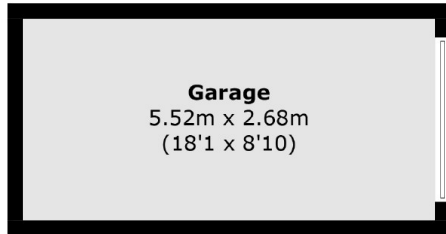

This three bedroom end of terrace home needs refurbishment throughout but has far more to offer than meets the eye. The property benefits from having a sizeable South facing garden, a large detached garage and driveway with independent access via London Road and bags of potential to extend STPP on a large corner plot.

Cole Road is a desirable tree lined road just a quarter of a mile from Twickenham Train Station and High Street with the added benefit of Moormead Park just a few streets away and St Margaret's Station and Village.
