

## Hanover Terrace, TW7

£650,000

A delightful and immaculately presented three double bedroom end of terrace Victorian cottage. This substantial home benefits from two reception rooms, large kitchen, two bathrooms, allocated parking and a large private garden with rear access. We love the additional outside courtyard overlooking the front reception room.

Ideally located moments from Syon Lane Station with regular services to London Waterloo, the open green spaces of Syon Park and local amenities. There is easy access on to the A4/M4 corridor for links in and out of London as well as neighbouring areas of Kew, Richmond and Chiswick.
