

Glasbrook Avenue, TW2

£950,000

This beautifully refurbished four bedroom semi-detached bungalow offers over 1,500 sq ft of high-quality living space. With a sleek open-plan layout, three en suite bedrooms, a driveway with an EV charging point, and a landscaped garden with a gym/home office, it is a perfect blend of comfort, space, and style and it is offered with no onward chain.

To the front of the bungalow is a spacious bay fronted double bedroom with built-in storage and a sleek en suite shower room. Also on the ground floor is a second double bedroom with its own en suite, making it ideal for guests or multigenerational living. Across the hall, you will find a separate study or snug. Further along, the home opens up into a bright and expansive open-plan kitchen, dining and living space, the real heart of the home. This impressive space features a utility room, underfloor heating, a central island, premium appliances, a large skylight, and full-width bifold doors that flood the room with natural light and lead directly out to the landscaped garden. A detached outbuilding at the back of the garden is currently set up as a gym but could just as easily serve as a home office, studio or teen den.

Upstairs, the first floor offers two further double bedrooms, both with beautifully finished en suites, generous proportions, and useful eaves storage.

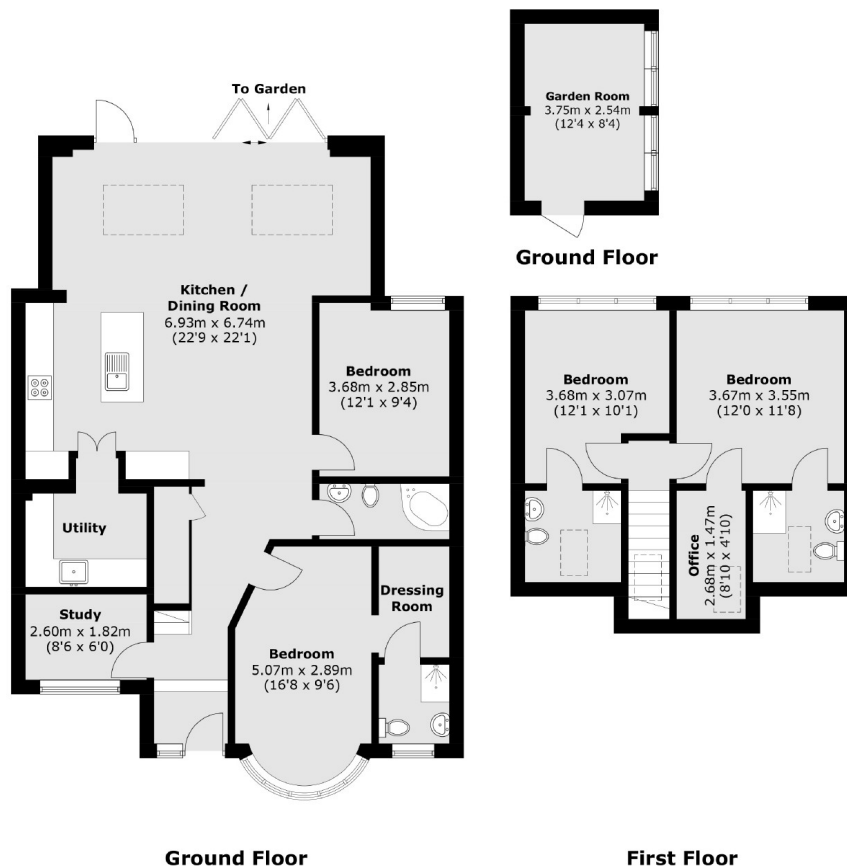

Glasbrook Avenue is part of the ever-popular Woodlawn Estate, well located for excellent schools, local amenities and green spaces including Crane Park and Kneller Gardens. Whitton Station is just over a mile away and provides direct links to London Waterloo.
