Savona Close, SW19

Undoubtedly the best example of a fully renovated, four double bedroom, three bathroom houses, in the close. There's off street parking, a northwest facing garden and no onward chain.

The front of the house has been clad in a beautiful wood, giving the house a modern and fresh edge over the neighbouring properties, causing it to stand out as exclusive and unique. The entire house has been taken back to brick and renovated to offer the perfect balance of luxury living, in a luxury location.

The ground floor has a large office, a w/c, double bedroom and an ensuite shower room, with ample storage throughout the floor. The first floor offers an open plan kitchen/ reception room, with sliding door access to the landscaped garden.

The second floor has two double bedrooms, both with built in wardrobes and a family bathroom. The third floor has been converted to an exceptional standard with a large double bedroom, floor to ceiling, slim framed windows and an ensuite bathroom.

Located in an exclusive cul de sac, close to Wimbledon Village, Ursuline and Donhead Prep Schools, as well as the town centre with district line, restaurants and bars.
