All homes have been completed to high specification throughout with a contemporary modern design to accommodate the modern lifestyle. Think of this as your own private members club.

Residents at Stiles West are able to benefit from a plethora of amenities including a co-working lounge area, communal gardens and a fully fitted residents only gym (with showers and changing rooms).

Envisaged with a sense of serenity and practicality in mind, you'll find a combination of style and comfort in thoughtfully designed spaces that offer all that's needed for thoroughly contemporary life.

While it's the lawns of Wimbledon's namesake tennis club that conjure up inimitable thoughts of summertime greenery, it's the great expanses of grassland, heath, and woods at Wimbledon Common that offer not only a space to breathe but a place to come together. The River Wandle, which weaves its way through the neighbourhood, is your starting point for the Wandle Trail: a nine-mile cycle and walking route. Being only 30 minutes from the city centre. You might need to remind yourself that you're still in London!
