Sherwood Road, SW19

A unique opportunity to purchase one of the few detached, four bedroom houses with off-street parking within Sherwood Road. The location is second to none for schools, transport and greenery.

The ground floor is bursting with character, with three reception rooms, an open kitchen breakfast room with side access, a separate study to the side of the house with access to a further utility/wine storage room and a bathroom. To the front of the house, there is a brick built storage room.

The first floor is arranged as four bedrooms, two of which are generously sized double bedrooms with built in wardrobes, with the other two bedrooms a little smaller, the larger of the two offering a third bedroom and the smaller an office/nursery.

The detached element of the house gives it an imposing, yet tranquil feeling of grandeur, with the characterful windows, off-street parking for three cars and a well proportioned garden to the rear, complete with two large storage sheds.

Sherwood Road is a quiet, hugely desirable cul de sac, in Wimbledon, being in the catchment for outstanding primary schools, across the road from a stunning park and a short walk to Wimbledon Town Centre, with restaurants, shops and great transport links.
