Planning application reference. 22/00797/OUT

Location

The development opportunity occupies a most pleasing position on Vancouver Street in Darlington. Darlington benefits from a comprehensive range of day-to-day amenities. The development is situated in a predominantly residential area interspersed with small commercial properties. For the commuter, the major north/south trunk road the A1 (M) can be accessed in 5 minutes and a mainline railway station can be found in the town centre providing communications with the rest of the country. There are international airports located at Teesside and Newcastle providing both domestic and international flights.
