114 High Street, Worle, BS22 6HD

Description

A lovely 3 bedroom detached bungalow, enjoyed by the present owners since 1989, occupying a privileged corner position on popular Bleadon Hill. Rooms are of generous proportions featuring a 20' x 20' L-shaped living room with wide picture window allowing coastal glimpses in the distance, plus all 3 bedrooms can facilitate a 'double' bed. Many will appreciate the benefits of a separate cloakroom/WC in addition to the main bathroom. The rear gardens are well established and landscaped and enjoy a high degree of privacy, plus a 2/3 car driveway leads to a much larger than average detached garage. This measures 17'7" x 13'3" and widens to 19'9" to include a workshop area. A particular feature, however, courtesy of the sweeping corner plot, is a good size hard standing, accessed via double gates, ideal for accommodating a caravan or motorhome. Those who wish to tinker with a car, with seclusion, will find this area extremely useful and naturally it also provides potential to extend the bungalow if desired, subject to all consents of course. Quite simply, a super all round package and an extremely rare opportunity.
