

This exquisite former threshing barn forms a part of a charming courtyard that houses a collection of unique and character-filled homes nestled in the heart of a highly sought-after village. The flawlessly maintained living space spans across three floors, showcasing numerous original features that exude charm and personality. The property boasts a recreation hall, guest cloakroom, a delightful dining area, a cosy living room, a bespoke breakfast kitchen and a utility room. Impressive first-floor landing area that leads to the master bedroom with a fabulous en-suite bathroom. Additionally, there are two more double bedrooms on this level. Ascending to the second floor, you will find another double bedroom and the main bathroom, complete with a stunning free-standing bath. To the outside, there is courtyard parking, garaging, and a landscaped rear garden with a southerly aspect. Energy rating of F.

Location

Langley is a most delightful and unspoilt hamlet, nestling amidst glorious Warwickshire countryside, midway between the larger villages of Norton Lindsey and Snitterfield, which between them offer Junior and Infant schools, inns, village shop, parish church and doctors surgery. The larger village of Claverdon is also close by providing rail services from Claverdon Station as well as many village activities. Langley is also very well placed for access to the M40 at Longbridge Island (Junction 15).

Having power with a Tesla charging point, brick and pave flooring and also provides great storage space.

Good sized Rear Garden

The landscaping and planting created by Nick Kemp Garden Design is a particular feature of the property. The garden benefits from a southerly aspect and there is a circular lawned area with brick-paved pathways and, a small kitchen garden area, together with a covered hand-built wood-fired pizza oven with an adjoining patio area. There is a tucked away storage area, which accommodates the timber garden shed and is laid to paving. There is also a gated rear pedestrian access.

Tenure

The property is understood to be freehold although we have not inspected the relevant documentation to confirm this. There is a small service charge of circa £39 per month which covers the cost of maintaining the shared courtyard area and the upkeep of the shared septic tank.

Services

Mains electric and water are connected to the property, the heating is via Calor gas-fired system and drainage to a septic tank. NB We have not tested the central heating, domestic hot water system, kitchen appliances or other services and whilst believing them to be in satisfactory working order we cannot give any warranties in these respects. Interested parties are invited to make their own inquiries

Council Tax

The property is in Council Tax Band "G" - Stratford upon Avon District Council
