

Nestled on the outskirts of the desirable village of Claverdon, this delightful detached country home is entering the market for the first time in over four decades. Throughout its history, it has provided a wonderful environment for family life, having been a cherished home for raising children and, more recently, grandchildren. The thoughtfully laid-out interior features five bedrooms, three bathrooms, and four reception rooms, including a spacious study that can easily adapt for remote work, a media room, or a children's play area. The kitchen is equipped with a walk-in pantry, plus a utility room, a convenient downstairs WC, a rear porch, and plenty of storage options. Additionally, a paddock of roughly 2.15 acres is accessible from the rear of the driveway and is currently utilized for grazing by a local sheep farmer. The property has an energy rating of E.
