This handsome four bedroom family home offers the superb opportunity to improve and extend (STPP) an already spacious and ideally located family home. Sitting behind a pretty front garden and with a driveway and double garage to the side, the ground floor accommodation consists of a large sitting room with curved bay window, a dining room to the rear of the property which opens to the garden through French doors and could be made open plan to the kitchen which has ample cupboard space and all expected appliances. There is a useful cloakroom off the entrance hall and this property also has the advantage of a separate study. Upstairs there are four bedrooms including the spacious principal bedroom with an en-suite bathroom and plenty of built in wardrobes as well as the family bathroom.

Outside is the level west-facing garden which is mainly laid to lawn and is entirely private. A patio area extends to the side of the property and there is access to the garage as well as the side of the house. We highly recommend an early viewing to fully appreciate the scope to improve of this detached family home, especially as it is being sold with NO CHAIN.
