Asking Price

A mid-century end of terrace family home, situated on a quiet cul-de-sac just yards from Barnes village. Requiring refurbishment, this property is an opportunity to create a contemporary family home in the heart of the village. For those wishing to undertake a project, planning permission has been granted to further extend to a second floor bedroom with en-suite facilities, and an enlarged kitchen/dining room, creating a unique family home with generous downstairs living, as well as up to four bedrooms. Alternatively, refurbishment on the existing floor plan will create a lovely home, in what is already the largest family house in the Hermitage. Barnes village centre has a wide range of independent shops, lively coffee bars, pubs and restaurants. Local schools include The St Pauls School, The Harrodian School, The Swedish School, Ibstock Place, St Osmonds' (RC) and Barnes Primary School, all either a short walk, or cycle away. For commuters to the City of London, the regular train service to London Waterloo takes approximately 20 minutes. Green spaces for walking the family dog are just round the corner, Barnes Common and it's village pond are minutes away. Barnes Common is also home to the OSO Arts centre, Barnes's professional fringe Theatre and Cafe/Bar. For sporty types cycling in Richmond Park is 10 minutes away, Nine Elms Sports Centre is close by, and Virgin Active is just over the river via Barnes bridge. The property is for sale with no onward chain.
