Further Details

Description

The property comprises a detached steel portal framed warehouse with a mix of brickwork and steel cladding construction beneath a pitched steel clad roof incorporating 5% translucent panels. The current owners have installed photovoltaic panels on the roof.

Externally the property benefits from parking and a secure yard to the western elevation. Access from the unit to the yard is via 3 loading doors.

Internally, the ground floor comprises a reception area, office and staff accommodation (mainly open plan) with toilets and a kitchen. The first floor provides a boardroom, kitchen, toilets and mezzanine area. Access to the warehouse via the offices is through a personnel door. The warehouse benefits from LED lighting.
