A fantastic opportunity to purchase a newly built family home within a level approach to Clevedon Town Centre. Having been thoughtfully designed to sit harmoniously amongst the neighbouring properties and offering a spacious layout with a contemporary finish, this will undoubtedly appeal to those who are eagerly searching for a property which is light, airy and ready to move in to! The practical ground floor layout provides a generous lounge to the front and well proportioned kitchen/diner to the rear, leading onto the gardens. In addition, there is ample storage and a downstairs cloakroom. To the first floor, there are three well proportioned bedrooms, two of which benefit from further fitted storage, and a modern family bathroom. The convenient location allows for easy access to schools, shops and a host of other amenities and travel links. Sold with the benefit of no onward chain, new build properties within Clevedon are in short supply so early interest is expected.
