Situated in an established residential location towards East Clevedon, this delightful period home is the very epitome of elegance and style. Full of character and charm throughout, the property is thoughtfully presented to showcase many original features with the more contemporary additions, including new windows sympathetically fitted in May 2023, complimenting the old beautifully. To the ground floor, a welcoming sitting room with wood burning stove sets the perfect scene for enjoying evenings with family and friends, whilst a second sitting room/dining room to the rear provides a truly inviting space for dining, entertaining or simply relaxing with a good book! This floor is also host to an exquisite heritage style kitchen, separate utility and a useful downstairs cloakroom. To the first floor, there are a total of four well proportioned bedrooms. The master bedroom benefits from a luxurious boutique style shower room and there is a further beautifully fitted family bathroom to complete the accommodation. To the rear, the gardens have been cleverly landscaped to provide a fabulous outdoor space to enjoy whatever the weather, with areas of patio, artificial lawn and raised deck.
