"Clevedon House" is a beautiful Regency property which has great history being the former rent collectors house for the Clevedon Court Estate. In recent years the current owner has lovingly restored so much charm and character, whilst adding a modern flair. There are four/five bedrooms, 2/3 receptions, a modern kitchen, downstairs wc and a stunning bathroom. The approach to the house is impressive and to the front there is parking for 2 cars. The rear garden offers great privacy with a spacious summerhouse which is being used as a home gym. The location is very popular and provides easy access to the M5. A must view.
