Another feature that sets this property apart from others is the abundance of tranquil outside space it offers. With a front, and rear patio accompanying the lower ground floor, a first-floor front-facing terrace looking out to the beautiful Albert Square, and a secluded rear south-facing garden measuring in approximately 107 feet in length – perfect for prospective buyers with a green finger, or the desire to design a wonderful, landscaped oasis.

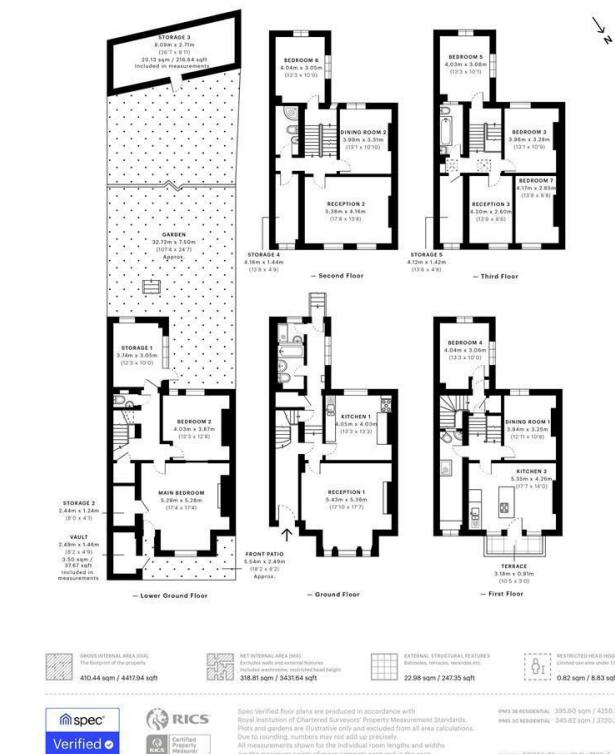

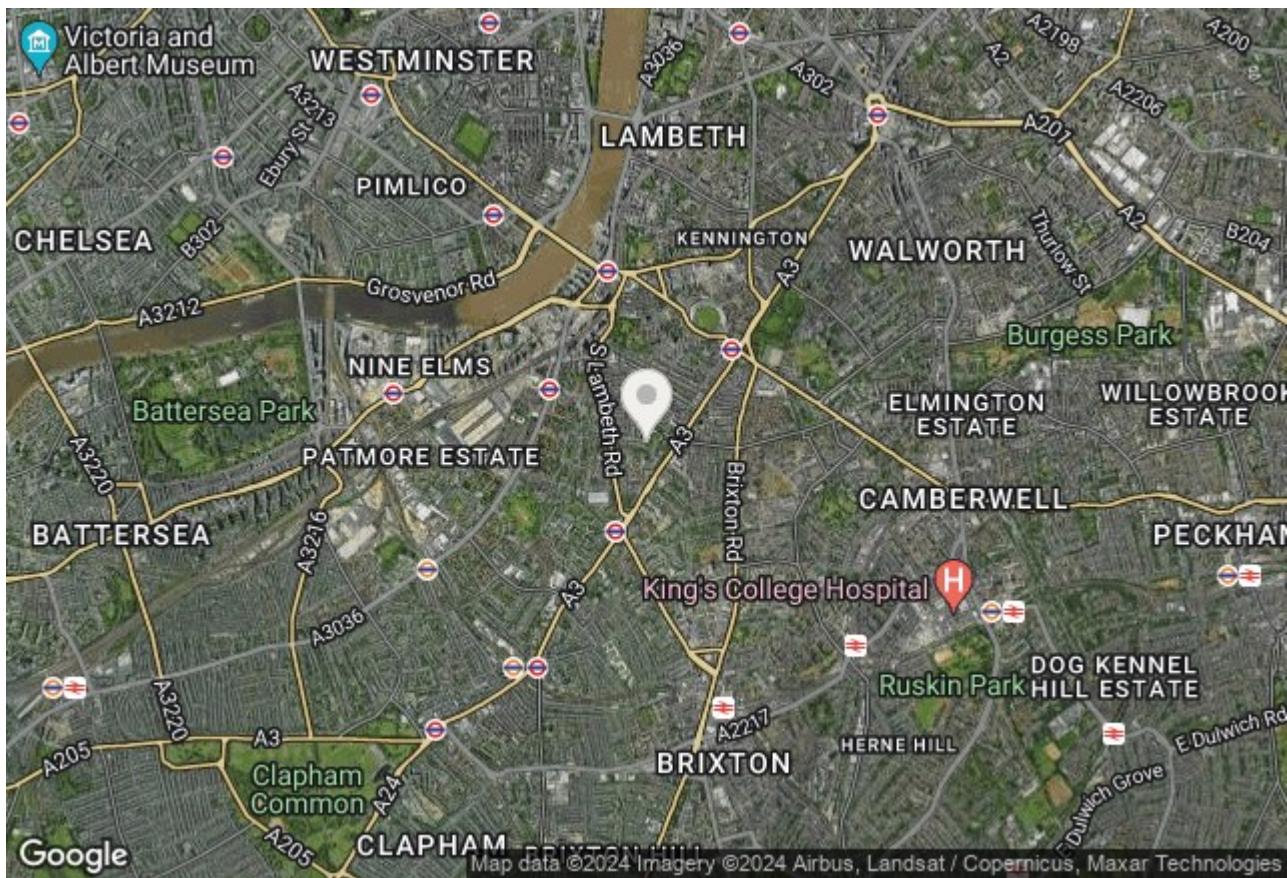

Albert Square is a stunning, spacious, and green private square with fantastic, mature trees accompanying the perimeter – all helping to create an ‘out of London’ feeling for the residents. The neighbourhood has also recently adopted ‘Low Traffic Zone’ status.
