Fitted shaker-style units provide ample storage and a Leisure Rangemaster Cooker offers a stylish cooking facility. A cloakroom and a large utility room lead off the kitchen, currently also used as a games room and offering plenty of additional storage for muddy boots, coats and an ideal room to house family pets. There is access to both the garage and boarded attic storage, from the utility. The dining room is set to the front of the house and offers a fabulous space for entertaining family and friends, with a pretty outlook over open fields. A light-filled sitting room spans the depth of the house, with double doors opening to the garden, ideal for alfresco entertaining.

Four good-sized bedrooms are located on the first floor, all with pretty views, either over the garden or overlooking open-countryside. The principal bedroom has a stylish en-suite shower room and there is also a family bathroom. All of the rooms have been thoughtfully laid out to provide both comfort and ample storage.

The garden is beautifully landscaped and benefits from a summerhouse and a shed. Well-stocked borders, a pond and a choice of seating areas, make this a garden that works equally well for entertaining, as it does for quiet relaxation. A garage and good-sized driveway provide plentiful parking.
