Rudge Cottage offers a stylish 5 bed family home in the popular Cotswold village of Edge. The original cottage was built in circa 1918 with an extension in the late 1980s, followed by a further kitchen extension in 2011. The accommodation flows beautifully allowing for an abundance of natural light, well-designed entertaining spaces, and ample room for relaxed family living. The home is all about lifestyle, with access to the outside from all of the reception rooms, as well as the pool house. A large reception hall sets the tone for the home, which is spacious with a lovely sense of flow throughout. The kitchen is clearly the heart of the home and a fabulous open-plan space that works equally well for entertaining, as it does for quiet family suppers. White fitted units provide plentiful, stylish storage and a breakfast bar allows for informal dining. There is plenty of room for a large dining table and bi-fold doors open directly to a secluded patio. A two sided wood burning stove provides warmth for the colder months, for both the kitchen and the adjacent snug/dining room. Both the kitchen and reception hall benefit from underfloor heating. Double doors open from the snug to the spacious sitting room. A lovely bright and spacious room, the sitting room opens to the rear garden via double doors. Access to the swimming pool (currently out of use), sauna, pump room and pool house, leads off the sitting room. This section of the house could easily be converted to an annexe, should the swimming pool not be required.

Five double bedrooms are located on the first floor, three with en-suite and the principal bedroom with walk-in wardrobe and a Juliet balcony overlooking the garden. All of the bedrooms have been thoughtfully laid out to provide ample storage alongside comfort. A family bathroom is also located at this level, together with an attic home office.

The enclosed garden is set to the rear of the house and is beautifully landscaped with well-stocked borders, gently sloping lawn and a choice of seating areas. A pretty pergola runs along one side of the garden and a large shed is located at the top of the garden, with roadside access, plus a greenhouse. The property also benefits from a double garage and ample driveway parking.
