DESCRIPTION

Pax is a well proportioned and light filled home which is excellently located only a few hundred meters from Minchinhampton High Street. Smaller, more modern properties like this are rare in the town centre and offer a more practical and low maintenance way of living.

A shared side driveway leads to the garage and off-street parking space both of which are highly sought after.

This chalet style property has accommodation over two floors. On the ground floor all the rooms lead off the large central hallway. To the front of the property is a good sized and bright sitting room with fireplace and to the rear an eat-in kitchen/breakfast room and separate dining room which can also be used as an office or additional ground floor bedroom. This leads though to a conservatory/garden room with direct access to the garden. Off the kitchen is a utility/store with a door out to the side of the house and the parking space. The family bathroom is also located on the ground floor.

Upstairs are two double rooms both with eaves storage and a separate WC. There is scope and space for a bathroom/shower room to be created on this floor. Halfway up the staircase is a useful store/airing cupboard.

The level garden has been well designed offering low maintenance with patio and gravelled areas as well as pretty stone borders. There is a side gate leading out to the garage and off-street parking.

Although this property is not a bungalow, the flexibility of having an additional reception room which could be used as a bedroom and the downstairs bathroom, could very easily offer single storey living if required.

DIRECTIONS

From our Minchinhampton Office, proceed up The High Street into Butt Street. Approximately 300 meters thereafter, Pax can be found on your right hand side.
