**DESCRIPTION**

The Cottage is located in the heart of South Woodchester, set back from the lane accessed via a short pathway. A traditional Cotswold Stone property, this cottage is full of character with well proportioned accommodation arranged over three floors.

A spacious entrance hallway at the front of the property leads into both the sitting room and kitchen. The sitting room is a light filled room with exposed stone, fireplace with wood burning stove and large window with adjacent door leading out to the garden. The kitchen/breakfast room is an unexpectedly large room with plenty of storage and space for a large dining table. A conservatory beyond, with patio doors to the garden, floods both spaces with natural light. The two interconnecting rooms are perfect for family living and entertaining.

On the first floor are two large double bedrooms overlooking the garden and valley views, both with built-in storage. There is also the first of two family bathrooms.

The second floor has a similar arrangement with two further double bedrooms and the second bathroom. The hallway on this floor has been intelligently adapted to create a home office.

The rear garden is an absolute delight taking full advantage of the valley views towards Amberley. Incorporating both a paved area and lawns with established borders and plenty of shrubs offering several areas to sit and entertain. There is also an open-sided red-brick outbuilding with power that offers further scope as a studio, home office or potting shed.
