Hello everyone. I just sold my property with S.J. Smith and I'm really happy with my decision. They are very professional. Special thanks to Mr Robert who has done professional valuation of the property, professional photos and professional advice. Special thanks for Mr Chad who has been with me through whole process of selling. He always been available (even when days off), very active in communication with other involved parties. I can honestly recommend SJ Smith as a really professional team.

I was extremely happy with the service I received from the beginning; with Louis and Chad who looked after the negotiation and sale of the property, right through to the completion of the sale with Nicola. Nicola was incredibly efficient with all the paperwork which needed completing and continued to keep me updated and in the loop throughout the process. She was helpful and offered exceptional customer service. I would not hesitate to recommend this

There is a reason why you see so many SJ Smith sale boards around Sunbury, Ashford and Staines compared to the other companies! As first time buyers we had no idea what to expect but from start to finish the service we received from them was exceptional. Louis showed us around the property and was very professional. No hard sale and let us take our time also very knowledgeable answering my questions about the property and surrounding area. He and Chad helped secure the sale through negotiating and agreeing a price. Nicola was an absolute god send during the process and helped keep us sane throughout. Quick to respond to our queries and persistent with keeping things moving. We are now settled in our new home and forever grateful to SJ Smith for their efforts in making it happen!

Very good professional service. Very responsive and pro-active in getting the purchase completed. Would recommend their services.

We originally signed up with Purple Bricks (purely cost saving) but Chad tempted us to give S J Smith an opportunity – and I admit it is a different service to that of an online agency, you get what you pay for and they provided a professional service all the way through, we were delighted and would highly recommend this local agency to anyone buying or selling in the area.
