Would thoroughly recommend! Chad and the team have kept us well informed all the way through the process, even during the difficult lockdown period and have made all parts of the journey as stress free as possible.

Hello everyone. I just sold my property with S.J. Smith and I'm really happy with my decision. They are very professional. Special thanks to Mr Robert who has done professional valuation of the property, professional photos and professional advice. Special thanks for Mr Chad who has been with me through whole process of selling. He always been available (even when days off), very active in communication with other involved parties. I can honestly recommend SJ Smith as a really professional team.

I was extremely happy with the service I received from the beginning; with Louis and Chad who looked after the negotiation and sale of the property, right through to the completion of the sale with Nicola. Nicola was incredibly efficient with all the paperwork which needed completing and continued to keep me updated and in the loop throughout the process. She was helpful and offered exceptional customer service. I would not hesitate to recommend this

There is a reason why you see so many SJ Smith sale boards around Sunbury, Ashford and Staines compared to the other companies! As first time buyers we had no idea what to expect but from start to finish the service we received from them was exceptional. Louis showed us around the property and was very professional. No hard sale and let us take our time also very knowledgeable answering my questions about the property and surrounding area. He and Chad helped secure the sale through negotiating and agreeing a price. Nicola was an absolute god send during the process and helped keep us sane throughout. Quick to respond to our queries and persistent with keeping things moving. We are now settled in our new home and forever grateful to SJ Smith for their efforts in making it happen!

Very good professional service. Very responsive and pro-active in getting the purchase completed. Would recommend their services.

We originally signed up with Purple Bricks (purely cost saving) but Chad tempted us to give S J Smith an opportunity – and I admit it is a different service to that of an online agency, you get what you pay for and they provided a professional service all the way through, we were delighted and would highly recommend this local agency to anyone buying or selling in the area.

Nestled in a quiet and desirable residential road, Ashview Gardens presents a fantastic opportunity to acquire a spacious three bedroom detached home set on a substantial plot of land, as outlined in red in the aerial image. Offering enormous potential for improvement and development (stpp) this property is ideal for those seeking a renovation project or looking to create a modern family home tailored to their own taste and lifestyle.

The ground floor features a welcoming entrance hall leading to a bright dining room at the front and a generous living room to the rear, providing ample space for family living and entertaining. The kitchen connects directly to a large conservatory, which opens out onto the expansive south facing rear garden. An integral garage is accessible from the front of the property, providing convenience and additional storage. Upstairs, the home comprises three well proportioned bedrooms and a family bathroom, offering comfortable accommodation for a growing family. Externally, this property is truly unique.

The large plot extends significantly beyond the immediate rear garden, offering a fantastic amount of outdoor space. Included in the sale are two additional garages providing excellent flexibility for parking, storage, or conversion into workshops or studios (STPP) that can be accessed separately from the main property.

Although the house would benefit from modernisation, it offers a solid layout and exceptional scope to extend, reconfigure, or redevelop, making it an exciting long term investment in one of Ashford's most popular residential areas. Conveniently located within easy reach of Ashford town centre, local schools, shops, and public transport links including Ashford train station with direct connections to London, this home combines a peaceful setting with excellent accessibility.
