BRIEF DESCRIPTION

This deceptively spacious and conveniently situated modern detached house is believed to date from 1997, and was constructed to good quality specifications by National House Builders Westbury Homes.

Conveniently placed at the entrance of Burslem Close, the property fronts onto the main Turnberry Road, and is set well back behind a mature Laurel hedge and spacious grass verge. Being approximately 1 mile North of Bloxwich Town Centre, with its many shops and services, the property also falls within the catchment area for several well established schools, catering for children of all age groups. Bloxwich North Railway Station is within easy walking distance and provides direct access to Birmingham and London Euston. The X51 Birmingham service also runs through the estate, making this an ideal location for both families and mature couples alike.
