DESCRIPTION:

A striking detached traditionally styled five-bedroom residence, offering almost 2,300 sq.ft of immaculately appointed accommodation set over three floors.

Mulberry Mews is a small, exclusive, brand-new gated development of just four highly eco-friendly family homes. These properties have been built to an exceptional standard using the finest materials and a meticulous level of craftsmanship.

Each home features thoughtfully designed accommodation, including high-specification kitchens with quartz worktops, luxury bathrooms, internal oak doors, and LVT flooring.

Vast open-plan living spaces, with bi-fold doors, breakfast bars, and additional reception rooms, create a home ideal for busy families and those who enjoy entertaining.

The exterior is equally impressive, with dark-framed aluminium windows, an exposed brick, and a weatherboard façade.

Situated in the highly sought-after location of Whitfield, the property enjoys splendid views of rolling countryside and excellent access to Deal, Sandwich, and Dover, along with the convenience of local facilities just on your doorstep.

Every effort has been made to ensure the property is exceptionally energy-efficient, featuring an air-source heat pump, high-performance double glazing, underfloor heating, and excellent levels of insulation.

The property is accessed via a large entrance hall, with a coat closet and stairs leading to the first floor. To the rear, there is a 26-ft open-plan living area, flooded with natural light from the bi-fold doors.

The kitchen is fitted with an array of wall and floor shaker-style units, finished with brushed chrome cup handles. It integrates all main appliances, including a dishwasher, full fridge and separate full height freezer, oven, microwave, and induction hob with an extractor fan.

The kitchen is complemented by a large quartz-topped island with a sink and mixer tap, while the space is further enhanced by a utility room with bespoke units, also finished with quartz work tops and ample space for laundry appliances. From here, there is access to a handy cloakroom.

The ground floor is completed by a bay-fronted reception room, accessed via internal French doors, allowing the space to remain separate or be opened into the main living area. The garage is integral and could be used as a playroom office as it has underfloor heating and high levels of insulation.

On the first floor, there are three double bedrooms and a luxury family bathroom, while the principal bedroom benefits from a walk-in wardrobe and a luxury en-suite bathroom with twin sinks, a freestanding bathtub, and a separate shower.

The second floor offers two additional large bedrooms, each with its own en-suite, between the bedrooms here is a landing with a linen cupboard complete with shelving.

OUTSIDE:

The generous garden features a large porcelain patio, providing plenty of space for alfresco dining, while the rest of the garden is mainly laid to lawn and enclosed by wooden fencing.

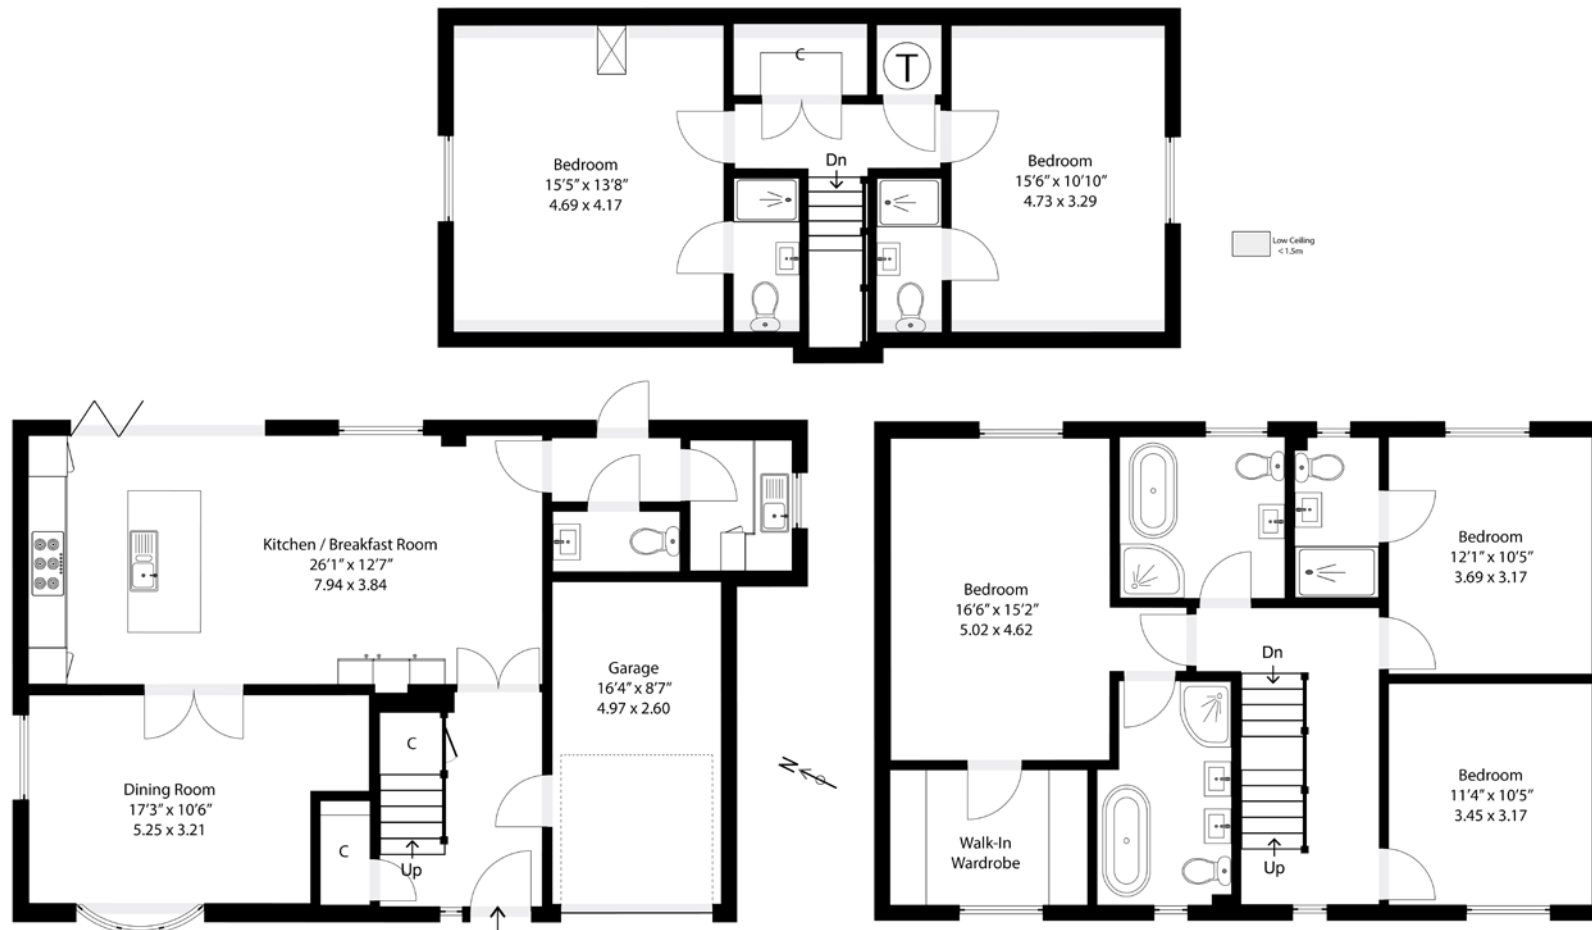

To the front, the block-paved driveway provides ample parking and leads to a remote-controlled fully insulated integral garage, which could be used as a playroom/home office as it has underfloor heating.

Attractive gardens with small shrubs define each property and soften the driveways, while the entrance to the development is gated, with brick-built pillars and established hedging.
