BARTHOLOMEW GREEN, GREAT LEIGHS, CHELMSFORD

OFFERS OVER £750,000

**BARTHOLOMEW GREEN
GREAT LEIGHS
CHELMSFORD**

No Onward ChainSet within approximately a quarter of an acre in the quiet hamlet of Bartholomew Green is this deceptively spacious four bedroom detached country home. The ground floor accommodation comprises:- sitting room, kitchen/dining room, utility room, cloakroom, two bedrooms, family bathroom and entrance hall. On the first floor are a further two bedrooms with en-suite facilities to bedroom four/artist studio and a generous balcony. Externally the property boasts established gardens, countryside views, an oversized garage with workshop, gated driveway parking and various outbuildings. The property benefits from extensive solar panels with battery storage and long term feed-in tariff.

Entrance Hall

Stairs rising to the first floor landing, radiator, power points, telephone point, doors to.

Balcony

The balcony measures 25'3 (7.7m) x 4'2 (1.26m) with sprawling countryside views and is enclosed by glass balustrades.

Oversized Garage With Workshop & Gated Driveway

To the side of the property is a detached oversized garage with workshop area. The garage boasts up & over door, power, lighting, pitched roof for storage and single door leading to the rear garden. To the front of the garage is a gated shingle driveway providing parking for multiple vehicles.

Gardens

The established gardens wraparound the property with a variety of mature shrubs, trees and flower beds alongside the formal lawn. A feature pond is situated to the rear of the property with a paved seating area. An additional patio area is off the side of the property with a Spanish style seating area.

The formal gardens lead to a well stocked orchard and raised vegetable plots and polytunnel. The gardens further benefit from a cedar summer house measuring 9'6" x 7'6" boasting power, lighting, fully insulated and double glazed windows, two greenhouses and potting shed. Side access is granted via two elevations.

Agents Notes

The current owners fitted a comprehensive 7.5kW solar panel array (25x300W multi-directional panels, with 6.6kWh of battery storage) just six years ago at considerable expense. The agents have been advised that with the battery storage, electricity costs across the year are at or near zero and there are still over fourteen years of index-linked feed in tariff payments remaining. Additional solar tube system also produces a good level of hot water, (further details are available from the property owners).
