The Property

Accessed via a partly stained glass front door is a spacious L-shaped entrance hall with bi-folding doors leading to the covered seating area, stairs rising to the first floor landing, opening to kitchen and double sliding doors to the living room. The living room has a continuation of the beautiful tiled flooring from the entrance hall with an additional set of bi-folding doors leading to the covered seating area, media wall with extensive shelving and benefits from an abundance of natural light from a large window to side aspect. The bespoke kitchen has been meticulously designed to cater for modern needs whilst retaining a country home style which is epitomised with the AGA & Butler sink with Victorian style taps. Open to the kitchen is a fantastic entertaining space with a handmade media wall, bi-folding doors with bespoke blinds leading to a secondary covered seating area with the continuation of the tiled flooring. A well-equipped utility room is tucked away off the kitchen and is accessed via double doors matching the kitchen units. A cloakroom is well-positioned off the entrance hall. To the first floor are three well-proportioned bedrooms with en-suite facilities to the principal bedroom and a family shower room. The two main bedrooms benefit from vaulted ceilings with full height window & fitted shutters, a range of fitted wardrobes and wood effect flooring. A luxurious en-suite is accessed off the principal bedroom with high standard fittings. The third bedroom has been converted into a dressing room with two banks of full height wardrobes. A family shower room is accessed off the landing serving bedroom two & three. The shower room has been finished to the same high standard as the en-suite.

Detached Home Office

To the side of the property is a detached home office/studio. The home office/studio boasts a vaulted ceiling, tiled flooring with underfloor heating, power points, lighting and black Aluminium heritage style windows & French doors. A store room is accessed off the home office/studio via a sliding door. To the front is a tiled Veranda area with stone walls & ceiling, tiled flooring, electric roller shutter door providing extra security and relief from adverse weather conditions.

Double Garage With Gated Driveway Parking

To the front of the property is a detached double garage with electric roller shutter door, power, lighting and a pitched roof for storage. The generous tarmac driveway provides parking for several vehicles and is accessed via electric wrought iron gates with intercom system.

Wraparound Gardens

The beautifully landscaped walled gardens wraparound the property proving various seating areas and formal lawns. To the rear of the property are two covered seating areas with an additional patio section. The gardens further benefit from an outside toilet, side access to both elevations via wrought iron gates, extensive feature lighting and an outside water tap.
