Garden

The front of the property is smartly enclosed by timber panel fencing with a low-maintenance gravel flowerbed running along the boundary. A generous stone-paved driveway offers ample off-street parking, while a side access path leads through to the rear garden.

To the rear, the garden has been thoughtfully designed for both relaxation and entertaining. A spacious timber deck provides plenty of room for outdoor seating beneath a pergola, with a built-in BBQ area nearby. Beyond, there's a neat lawn section with a gravel path leading to a timber shed, all enclosed by fencing and mature planting for added privacy. The garden also benefits from an integrated sprinkler and water system.
