DIRECTIONS

The property is most easily found by leaving Stroud on the A419 towards the M5 motorway. Continue past Sainsbury's onto the Ebley bypass in the direction of the M5. After a short distance upon reaching the traffic lights at Ryeford, turn left signposted Leonard Stanley and Kings Stanley. Continue on this road bearing left as it becomes St Georges Avenue, then Church Street and the property can be found on the left hand side just after the left hand turn for Willow Road.

LOCATION

Kings Stanley is situated immediately west of Stroud, the main town in this part of the Cotswolds. A very ancient village referenced in the Domesday Book, Kings Stanley has grown over the years but very much retains its own identity and is surrounded by farmland. The village has good local facilities including a convenience store, a Co-op, The Rest cafe, Village Hall and a popular primary school.

Almost anything else can be obtained in Stroud which has a large Waitrose and three other supermarkets, an award winning Farmers' Market and a wide range of independent retailers. Within about two hours of London by car or 90 minutes from Stroud's mainline station, the village is also ideally located for accessing the M5 at junction13 (Bristol or the West Midlands).

The local countryside is criss-crossed by public footpaths, including The Cotswold Way, the lanes are popular with cyclists and for golfers there are a number of challenging courses in the vicinity. Kings Stanley has its own sports club with active junior sections while there is a good choice of secondary schools locally including The High and Marling in Stroud (both grammar schools) and Wycliffe College, just down the road at Stonehouse.
