Occupying a lovely rural location, this 3-bedroom semi-detached home offers an ideal opportunity for someone looking to renovate a wonderful home with gardens backing on to open countryside. In need of modernisation, the property is also situated within walking distance to the popular local primary school and offers easy vehicular access to the city of Gloucester.

As illustrated on the floor plan, the accommodation comprises: entrance hall, kitchen with a few units and open fireplace, utility room, sitting/dining room with centrally located wood burning stove (not tested), cloakroom, 3 bedrooms, bathroom and off street parking for several cars. Externally there are level gardens both to the front and rear of the property

## DIRECTIONS

From our Stroud Office, proceed west towards the M5 motorway (Junction13). Cross the motorway and at the junction with the A38 proceed north for Gloucester. After about 3 miles turn left for Longney. On reaching Epney turn right and proceed through Longney. At the next junction, bear left passing the primary school where you will find the property after a short distance on the right hand side.

## LOCATION

Longney is situated immediately south-west of Gloucester on the Severn Vale, a delightfully rural part of Gloucestershire, where a network of country lanes connect a scattered collection of little villages interspersed between acres of rich farmland. Life on the Vale is often represented as being calmer and less frenetic than elsewhere and certainly the village of Longney could not be more peaceful. Ironically however, Junction 12 of the M5 motorway is an easily accessible drive for commuting to the Midlands or Bristol and there are mainline stations at Gloucester (7miles) and Stonehouse (9 miles) - London Paddington (from 95 minutes).

Longney has an excellent village school and there is a wide choice of secondary schools including Sir Thomas Rich's and King's in Gloucester, Wycliffe College at Stonehouse and Stroud High and Marling. There are lovely walks in the surrounding countryside while the lanes are great for cyclists. Frampton on Severn has good local services together with a sailing club. There are major supermarkets within easy reach in the neighboring areas of Quedgeley and Gloucester.
