DESCRIPTION

Located in a tucked away location in the heart of Kings Stanley, this deceptively spacious attached period home has been beautifully maintained with the benefit of gated off street parking and a double garage. A real hidden gem, the light and airy accommodation consists of; kitchen/dining room with an array of built in units, utility/cloakroom, sitting room with woodburning stove, and conservatory with lovely views towards Penn Woods. On the first floor, there are three bedrooms (master with fitted wardrobes) and a modern bathroom suite with bath and separate shower cubicle. Outside parking for several vehicles is available on a paved parking area to the front of the double garage. There are level gardens that wrap around two sides of the house together with an attached storage area/potential workshop.

DIRECTIONS

The property is most easily found by leaving Stroud on the A419 towards the M5 motorway. Continue past Sainsbury's onto the Ebley bypass in the direction of the M5. After a short distance upon reaching the traffic lights at Ryeford, turn left signposted Leonard Stanley and Kings Stanley. Continue on this road and go straight over at the mini-roundabout by The Kings Head pub into the High Street and then immediately right into the public car park. As you turn to the right you will see a five bar gate with the parking to the property.

LOCATION

Kings Stanley is situated immediately west of Stroud, the main town in this part of the Cotswolds. A very ancient village referenced in the Domesday Book, Kings Stanley has grown over the years but very much retains its own identity and is surrounded by farmland. The village has good local facilities including a convenience store, a Co-op, The Rest cafe and its popular primary school. Almost anything else can be obtained in Stroud which has a large Waitrose and three other supermarkets, an award winning Farmers' Market and a wide range of independent retailers. Within about two hours of London by car or 90 minutes from Stroud's mainline station, the village is also ideally located for accessing the M5 at junction13 (Bristol or the West Midlands). The local countryside is criss-crossed by public footpaths, including The Cotswold Way, the lanes are popular with cyclists and for golfers there are a number of challenging courses in the vicinity. Kings Stanley has its own sports club with active junior sections while there is a good choice of secondary schools locally including The High and Marling in Stroud (both grammar schools) and Wycliffe College, just down the road at Stonehouse.
