Thornbury House, Thorp, Royton

NO CHAIN. Built in 1997 is this beautifully presented, architecturally designed, four bedroom, detached family home located in the old hamlet of Thorp, that's still owned by the original owners. The property has an EPC rating of C with a Valliant Eco-Tec boiler. Handmade bricks and reclaimed stone from the original manor house were used to build the property and its grounds and there are stunning wrap around private grounds and a detached garage. The property has fabulous views to Tandle Hill County Park and has direct access to the green belt countryside, with multiple walks from the gate. Viewing is essential.
