Morris Homes - Thinking Differently

We know that it takes more than a house to make a home. A home requires love, care, and that little bit of magic that you can sometimes see, and always feel.

That's why we don't just build houses for our customers. We create places they'll be proud to call home. Why? Because we're as house proud as you are.

We design homes that delight and surprise both inside and out - spaces equipped for modern lifestyles which are comfortable, easy to live in and take into consideration life's practical demands. But we look beyond the home too. We consider the whole environment, creating natural landscapes and wonderful surroundings that you'll enjoy coming home to every day.

We create places where people love to spend time, quality homes that are characterful, individual, and that "just feel right".

From the Architect

Designing for Morris is both exciting and challenging. We really encourage each other to think differently, to be varied and unique with our designs.

At Deerwood Fold we've ensured that our homes remain interesting, varied and part of a community to emulate the more historic details of the surrounding area, providing crafted detail such as brick eaves and stone sills.

We felt it was important for Deerwood Fold to complement the natural environment as well, which is why our landscaping uses a diverse range of mature trees and plants to create established green spaces that feel part of the wider area.

Inside, the variety continues. Some homes have been designed to feature beautiful vaulted ceilings, which give a light and airy feel to a room as well as that elusive wow factor every customer desires.

Experts in Interiors

With an unwavering commitment to quality, from the taps right down to the cupboards, we finish every one of our homes to an impeccable standard.

Handpicking our fixtures and fittings from prestigious names such as Neff and Amtico, our partners are renowned for their quality and timeless style.

So whether you buy a finished home or reserve a plot, you can be sure it will be fitted to a high specification.

Your Home, Your Style

No doubt, a home should feel unmistakably yours and have a true stamp of individuality. At Morris, you'll have the opportunity to do just that, personalising your home with a choice of beautifully selected interiors.

It's your blank canvas, there for you to make your own, without the hard work of renovating. We've even created recommended combinations that work brilliantly together, so your home will always have that interior designer touch.

Not to mention those added elements, such as fireplaces and Granite worktops, that can really bring your style to life.
