ACRES OF ON-SITE ECOLOGY PARK TO EXPLORE AND DISCOVER

MOVE CLOSER TO NATURE

ONE OF THE UNIQUE FEATURES OF GREENWICH MILLENNIUM VILLAGE IS THE AMAZING ON-SITE ECOLOGY PARK.

Owned by the Land Trust Charity and managed by The Conservation Volunteers (TCV), this four acre freshwater wetland site features two lakes and a beach, plus areas of marsh, meadow and woodland. There's also a dipping shed plus a network of wooden boardwalks and bird hides to explore.

Nature has been given a helping hand through the sowing of meadow grassland and the promotion of wild flowers, while the Thames foreshore has been enhanced to attract fish.

The park's picture-perfect lakes are linked to ponds, reedbeds and islets to draw estuarine birds and migrating species, while a 'green corridor' provides an ecological link from the river bank to the far side of the village.

Children will love the extensive eco play area, created with natural and reclaimed materials. They can get active on a log walk, cross-beam balance trail, climbing tower, mast activity net, living willow tunnel and timber team swing. The Ecology Park is also a haven for wildlife, including butterflies, dragonflies and damselflies, bees and over 85 types of birds.

A focal point for the community, the Park is where everyone can get a first-hand experience of nature, while local volunteers can get involved in conservation and management work. There's also a calendar of seasonal community events.

WHY BUY NEW?

THE TEAMS ARE WORKING TO ACHIEVE ONE COMMON GOAL: TO ENSURE THAT YOU ARE SATISFIED AND HAPPY WITH YOUR NEW GREENWICH MILLENNIUM VILLAGE HOME FROM THE MOMENT THAT YOU MAKE YOUR RESERVATION, TO THE DAY YOU MOVE IN AND BEYOND.

No matter who you are dealing with, or what queries, questions or complaints you may have, you can be confident that our people and procedures will adhere to the terms of our Charter and the 'Consumer Code for Home Builders'.

Copies of the 'Consumer Code for Home Builders' are available from our sales offices and via our website; a copy (also identifying where further guidance can be found) will always be provided to you upon reservation.

Our customer service begins at the outset, with our trained Sales Consultants who offer guidance on the legal process involved in buying a home and help with arranging mortgage finance through independent financial consultants.

Every home at Greenwich Millennium Village carries our commitment to quality and improvement. Our homes are built to National House-Building Council (NHBC) standards, the technical benchmark for all newly-built homes. The standards provide guidance on every part of the building process from foundations to decoration including tolerances, performance and technical standards. To find out more visit www.nhbc.co.uk/Builders/ProductsandServices/TechZone/nhbcstandards/. We also carry the NHBC Warranty (Buildmark) against structural defects for a 10-year period following the date of legal completion.

Further information can be found on www.nhbc.co.uk/Homeowners/WhatdoesBuildmarkcover/

Your interests are additionally covered by the Consumer Code for Home Builders which we adhere to. The code helps ensure all new home buyers are treated fairly at all times, are given reliable information, know what service levels to expect and know how to access the dispute resolution scheme. Further information on the Code, which gives protection and rights to purchasers of new homes, can be found on www.consumercode.co.uk
