Energy Efficiency Graph

**** NO FORWARD CHAIN **** A stunning 2 double bedroom 2nd floor apartment in this landmark development in the heart of Boscombe Spa Village. This high specification property benefits from a 32ft living space with large sun terrace enjoying open views from the principal rooms towards the sea.

BOSCOMBE SPA is a prestigious area in Bournemouth, it is located to the east of Bournemouth town centre and west of Southbourne. It developed rapidly from a small village, to a seaside resort after the first Boscombe pier was opened in 1889 with fantastic sandy beaches running from Hengistbury Head to Poole. Since the in depth regeneration program for Boscombe Spa, the seafront has transformed into a "mini-California" with a great safe beach vibe in the Summer, and several contemporary restaurants which many travel to from outside the area.

THE REEF comprises 56 spacious apartments arranged in a horseshoe design to maximise the sea view. All homes have at least one balcony or terrace and have been constructed and finished to the highest quality using all the latest technology. Apartments have designer kitchens, smart bathrooms, private underground parking and underfloor heating.

Flat 39 is situated upon the 2nd floor which is serviced by both a LIFT and stairwell from the fabulous communal entrance. Once on the 2nd floor the flat has a solid door with spyhole and video door entry system leading to
