Talgarth is a popular market town situated in the foothills of the Black Mountains.

The larger market town of Brecon is approximately 9 miles away offering a good choice of supermarkets and leisure facilities.

Located within the Brecon Beacons National Park, the area offers an abundance of beautiful countryside, stunning views and extensive opportunities for outdoor leisure activities.

#### **Accommodation**

The property is entered via the front door into an entrance hall where there is a cloakroom with a shower, wash-hand basin and W.C. on the left-hand side.

From the hallway, a doorway straight ahead leads to a large sitting room. This is a delightfully light and open space with a fireplace and bi-fold doors leading out to the extensive gardens.

Next door there is a further reception room which could also be used as a separate dining room or study.

Further along the corridor there is a large open plan kitchen/dining room with a breakfast bar and a dining area with bi-fold doors and a window overlooking the garden.

The kitchen, which has recently been refitted, provides an excellent range of storage cupboards, granite work surfaces and integral appliances including an electric hob, eye level double oven, microwave with warming cabinet and a fridge. There is space and plumbing for a dishwasher.

Next to the kitchen there is a larder with space for a tall fridge/freezer and shelving, a utility room with an airing cupboard, gas boiler, sink and space and plumbing for a washing machine.

A further door from the kitchen leads into a rear porch with a cloak cupboard and a separate wetroom which is fitted with a shower, close-coupled W.C and wash-hand basin.

From the entrance hall, four good-sized bedrooms can be found along the corridor.

to the right, with the main bedroom being of exceptional proportion with the benefit of fitted wardrobes.

At the end of the corridor there is a bathroom with corner bath, close-coupled W.C and a wash-hand basin.

### Outside

The property is approached along a driveway which serves only three properties at the end of Park Avenue. Adjacent to the parking area there is a wall and gated entrance leading into the rear garden.

Alongside the gated entrance there is a detached garage measuring 6.65m x 6m (at min) - 8.34m (at max). The garage has a power door and lighting.

Immediately to the front of the property there is a path and small lawned area with a range of raised vegetable beds.

A path leads around to the side and opens out to a terraced area which runs around the property.

A set of steps leads down to a level and extensive lawned area with interspersed trees and shrubs. This garden offers excellent potential and enjoys beautiful views over the surrounding countryside and offers, potentially, the facility to put in a new access from the garden directly onto the Hay Road (subject to planning approval). We also understand that the lower part of the garden once had planning consent for a separate dwelling which has since lapsed although further information can be provided upon request.
