Lot 1

Lot 1 extends to approximately 60.71 acres in total, comprising permanent pasture and woodland split into conveniently sized enclosures together with an extensive range of modern portal framed livestock buildings tighter with stone built former stables. Surrounding the agricultural outbuildings are concrete and stoned yard areas, and an outdoor slurry store with a concrete base. The fields and outbuildings are served by a borehole fed water supply, with the outbuildings also benefitting from a mains electricity supply.

Sheep Shed (11.93m x 37.94m)

Very useful 9-bay steel framed building with concrete passageway. This building benefits from concrete panel walls and lies under a fiber cement roof. Served by private water and electricity.

Adjoining Silage Pit (5.60m x 31.5m)

Steel framed, concrete floor and covered by a fiber cement roof. Concrete panel walls.

Adjoining Cattle Shed (8.87m x 31.5m)

Substantial 7-bay steel framed building with concrete floor throughout. Walls are of concrete panels and breeze blocked construction with a fiber cement roof. Equipped with internal cattle barriers. Served by private water and electricity.

Adjoining Former Stables (4.64m x 9.0m)

Stone built building under a pitched slate roof. Floor in the one stable is of cobbled stone with the other being concrete. Potential for diversification projects subject to relevant planning consents.

Lot 2

Lot 2 extends to approximately 23.86 acres (9.658 hectares) that comprises of predominantly permanent pasture and is split into conveniently sized enclosures for the ease of stock management and rotational grazing/cropping. The land is ideally suited to producing good quality fodder crops but in recent years has mainly been utilised for grazing and producing hay and silage. The majority of the field parcels are gently undulating. Lot 2's size and situation lends its self to a wide range of potential uses. We are informed that the benefits from a private water supply with field tanks served by a well.
