Description

1 Lower Bazley is a modern end of terrace house offering three bed accommodation with a ground floor extension providing further reception rooms. The property also benefits from off-road parking and a garden to the rear.

Situation

Peterchurch is found in the heart of the Golden Valley between Hereford and Hay-on-Wye.

The village itself offers a convenient range of services including a local shop/post office, bistro, primary and secondary schools, a church, two public houses and a doctor's surgery.

A more extensive range of facilities can be found in the renowned second-hand book town of Hay-on-Wye and the cathedral city of Hereford, which also has a train station with services to the main rail network.

The nearest motorway links can be found at Ross-on-Wye for the M50 and Newport for the M4.

The Accommodation

Entering the property through the front door into the hallway, there is a useful understairs cupboard on the left and a door on the right leading through to the kitchen.

The kitchen features underfloor heating and offers a good range of wall and base units with wooden worktops, a stainless-steel drainer sink, an electric oven and

hob, space for a tall fridge-freezer and a window to the front.

A further door in the hallway gives access to a sitting room with a feature fireplace on the right and a window to the side. A set of double doors open into the garden room which also has bi-fold doors leading out to the rear garden.

From the sitting room there is a door to a porch and a downstairs W.C. with space and plumbing for a washing machine.

A staircase in the hallway leads to the first-floor landing giving access to all three bedrooms (with bedroom three having the benefit of an adjacent dressing room).

The family bathroom features a panel bath with a shower over, W.C. and a wash basin.

Outside

To the rear of the property there is a parking space and a gateway leading into the garden where there is a timber garden shed.

The majority of the garden is laid to patio with a lawned area and has a pathway leading around to the side entrance door.
