Location

Each lot is nestled in the heart of the Ithon Valley, just south of the village of Penybont and just 4 miles east of Llandrindod Wells. The land is well connected via convenient access from a council-maintained road. The A44 from Rhayader to Leominster passes a short distance to the north of the land offering excellent connectivity.

Description

Lots 1 & 2 represent terrific opportunities to acquire approximately 134.12 acres of Grade 3 arable and pastureland. The land is of a consistent topography with the benefit of direct access onto an adjoining council-maintained road and well-defined and secure boundaries. These two blocks of enclosed and productive farmland offer significant stocking and cropping potential. Both Lots 1 & 2 benefit from a mains water supply, with Lot 1 having the added benefit of a reliable natural water source in the form of the River Ithon. Much of the land is free-draining and is all suited to a variety of farming practices.

Lot 3, otherwise known as the Land at Mynyddrheol, extends to a significant 119.83 acres of Grade 3 & 4 pastureland. This land is more sloping in nature and is best suited to the grazing and rearing of livestock with some areas capable of growing fodder crops. Lot 3, which is contained within one ring fence, benefits from a natural water supply and offers excellent stocking capabilities. With two road access points, Lot 3, which is easily accessible off a council-maintained road which itself leads to the A44, offers vast potential to interested parties of a more conservational or environmental nature.

Lot 1 – Land at Wainddu – 119.65 Acres of Arable &

Split into eight separate field parcels comprising Grade 3 arable and pastureland, the land is predominantly flat or gently undulating and has significant cropping potential having been utilised for this purpose in recent years. Access to this lot is excellent with six separate access points along a council-maintained road.

Lot 2 – Land at Wainddu – 14.47 Acres of Arable &

Split into three individual parcels comprising of Grade 3 arable and pastureland. The land is level or undulating with cropping capabilities having been used to grow corn and straw in recent times to great success. Lot 2 is easily accessed from a council-maintained road with three separate access points.

Lot 3 – Land at Mynyddrheol – 119.83 Acres of Pas

Comprising a significant 119.83 acres of pastureland benefitting from roadside frontage and a natural water supply, Lot 3 offers a wide range of opportunities to interested parties of a more conservational or environmental nature.

General Information

Cropping

Lots 1 & 2 are currently planted with stubble turnips and are within an arable rotation. Lot 3 is laid to pasture and has been grazed by livestock with some areas harvested for silage.

Services

Lots 1 & 2 both benefit from a mains water supply with Lot 1 having the added benefit of a natural supply from the River Ithon. Lot 3 has access to a natural water supply running through the land.

Tenure

The land is offered freehold with vacant possession upon completion of the sale.

Access

All three lots have separate road frontage access off a council-maintained road.

Boundaries

The land is enclosed by post and wire stock fencing and mature hedgerows. The Purchaser shall be deemed to have full knowledge of the boundaries and neither the Vendors nor their Agents will be responsible for defining any ownership of boundaries, hedges or fences. They will, however, provide whatever assistance they can to ascertain the ownership of the same.
