THE CODE FOR LEASING BUSINESS PREMISES

The Code for Leasing Business Premises in England and Wales strongly recommends you seek professional advice from a surveyor or solicitor before agreeing or signing a business tenancy/lease agreement. The Code is available [HERE](#).

REFERENCES

Once a letting has been agreed, the landlord may need to approve the proposed tenant's references as part of the letting process. This does not form part of a contract, nor constitute a deposit in any respect of any transaction. Appropriate references may be required from the tenant's bank, landlord, accountant and trade referees providing credit facilities. The taking up of references by Goadsby does not guarantee acceptance by the landlord. The prospective tenant will be responsible for the charge incurred for obtaining the bank reference.

These particulars are believed to be correct, but their accuracy is not guaranteed and they do not form an offer or contract. STRICTLY SUBJECT TO CONTRACT, ALL MEASUREMENTS APPROXIMATE. Agents note: At no time have we undertaken a structural survey and services have not been tested. Interested parties should satisfy themselves as necessary, to the structural integrity of the premises and condition/working order of services, plant or equipment.
