Agents Notes:

The property is freehold, however The Ridge common areas (private road, paths, grassed and planted areas, steps, street lights and rear electrical maglocked gates) are owned by The Ridge Management Company.

This company is owned by each of the 7 property owners on The Ridge. Each house nominates a director. This Company looks after the common areas, and the directors agree a monthly charge for each of the houses. This charge is currently £100 per month. This level of charge has been in place for many years. The Company currently has a surplus, and is looking long term at installing electrically operated gates to the front entrance.

The Company employs gardeners to maintain the community areas, and they cut the grass etc regularly during the year. Two sets of steps lead down to a rear private footpath that runs the length of The Ridge. The rear gates at each end of this path provide pedestrian access to the school field to the north, and the path around the lake to the south. School children living on The Ridge are able to access Hampton College from these gates, without recourse to using the main road.
