## 75 High Street, Irchester, Northamptonshire NN29 7AA

---

A late 1960s Underwood built chalet-style semi-detached house offered for sale with no upper chain. The property is set back from the road behind a deep front garden and has a long driveway, single garage and a generous sized westerly aspect rear garden.

The house was originally designed and built to offer 3 bedrooms but has been reconfigured since to offer 2 upstairs bedrooms and a ground floor dining room instead. Scope exists to recreate the ground floor bedroom if required. In addition, the upstairs 2 bedrooms are very sizeable and there is scope to possibly reconfigure that space.

The accommodation includes an entrance hall, cloakroom/wc, shower room, living room, refitted kitchen/breakfast room, dining room/bedroom 3, first floor landing and two large first floor bedrooms.

The property also has gas radiator central heating and UPVC double-glazing.

Enjoying a non-estate position in a sought-after well served village, this is a house with good further potential and an early viewing is recommended.
