The Coach House, 11 London Road, Wellingborough, NN8 2BT - House & 2 Flats

£575,000 - Freehold

The Coach House, 11 London Road, Wellingborough, NN8 2BT - House & 2 Flats

A unique opportunity to acquire a character four bedroom converted coach house together with two adjoining one bedroom flats. This small portfolio of three properties would be ideal for any buyer wanting a family home and an income source. The flats have potential to provide rental income (one will require energy efficiency upgrade first) or for use by older "still at home" grown up children, aged relatives as a granny annexe, or au pair accommodation etc. The Coach House is currently occupied by the sellers and the two flats are vacant.

The Coach House offers generous sized family space and has ample parking, double car port and an interesting cottage style garden including small workshop/store. The one bedroom flats (No 5 on the ground floor and 5a upstairs) are both self contained with their own kitchen and shower room facilities. An inter-connecting door from the coach house gives direct access to the ground floor flat but this could be blocked up by a buyer if it is not required for future use.

For any extended family wanting to find a home base to accommodate multi-generational living then this is a must see property. The properties are in the town centre conservation area and just a few minutes walk from the town centre shopping facilities, schools & theatre. The railway station is a twenty minute walk.

The Coach House is Freehold. The two flats are currently Leasehold but the sellers also now own the Freehold for the flats as well and so will be including that within the sale. This will mean that the eventual buyer will own the freehold for all three properties.

Wanting something unusual and interested to view? Talk to Harwoods and we will make arrangements to show you around. Viewing highly recommended.
