28 Church Street, Finedon, Northamptonshire NN9 5NA

An unusual opportunity to purchase an early 18th century period grade II stone house with attached former shop. The former two storey shop gives lots of additional space and this could be incorporated into the main house accommodation subject to gaining any required local authority consents or would suit a buyer who wanted shop premises for a business use.

The property occupies a good sized plot with front garden, generous sized rear garden and has rear vehicular access from Avenue Close. There is ample parking and a detached stone garage with attached workshop/storage.

The main house offers two separate reception rooms, kitchen, landing, 3 bedrooms and a refitted bathroom. The two storey former shop comprises a ground floor room of approaching 38 feet in length with a similar sized second floor room over with vaulted ceiling. There is also a useful externally accessed cellar.

Finedon is a historic small Northamptonshire town with good day to day amenities, shops and great road links. A regular rail service from Wellingborough has a journey time to London St Pancras of around 55 minutes.

Viewing highly recommended.
