If you are looking for a traditional character town house then this property is a "must see" home. The garden is a great size and includes two summer houses and so would be ideal for a young family wanting enough outside space for a child to play. The garden also faces a sunny south aspect.

Inside the house is well presented and has a spacious feel with a large dining area and a cosy living room. The kitchen is also a generous size. Upstairs there are two double bedrooms and a large well appointed bathroom with both a bath and large separate shower enclosure.

The house has gas radiator central heating with the boiler newly replaced in March 2025. The house also has UPVC double-glazing.
