### Property Details

Cornwallis Crescent is undoubtedly one of Bristol's most prestigious addresses, boasting an unbroken row of stunning Georgian townhouses with remarkable views of the city and beyond.

The entrance vestibule leads to a reception hall which in turn opens to the sizeable kitchen/living room featuring a detailed ceiling cornice, a ceiling height of 13 feet, ornate feature archway and gas-fired cast iron stove. Three tall Georgian windows at the rear fill the room with abundant southern light. Access to the terrace, situated above the gardens, is granted through a glazed door from this space. The terrace with its stone balustrade, overlooks stunning communal gardens featuring level lawns, mature trees, and established shrubbery—and is a real highlight of this tremendous offering.

Ascending to the first floor via a split level landing with built in book shelf, you will find a spacious sitting room to the rear, and at the front of the property a drawing room. This-open plan space benefits from gorgeous, ornate original features including cornice and large Georgian sash windows, from which is provided access to a full-width canopied balcony at the rear with beautiful, scenic views.

The second floor features two/three bedrooms, one of which could be converted into an en suite or dressing room, shower room and finally a utility room.

The top floor currently functions as a two-bedroom flat with its own kitchen, a three-piece bathroom with shower over-bath, lounge and two bedrooms. From the rear there are stunning views across Bristol.

Accessed independently from the front of the house via a stone staircase leading down to a courtyard, you will find two spacious storage vaults and the entrance to a self-contained 2-bedroom flat. An inner hallway guides you to the two bedrooms, three-piece bathroom and the kitchen/lounge-diner. This room serves dual purposes as a kitchen/dining area, featuring natural light from large sash windows. Accessed from the flat and situated at the rear of the property is a courtyard with ample space for seating and dining, two further vaults, and via an arcade, access to the beautiful communal gardens.

A property offering immense potential in a highly desirable location, whereby an early inspection is strongly recommended. Viewings strictly by appointment through Maggs & Allen.
