FLAT 6 CHATFORD HOUSE CLIFTON
CLIFTON, BRISTOL, BS8 3NG
Asking Price £875,000

Chatford House, a Grade II listed building dating back to the 1840 is one of Clifton's most prominent and sought-after residential conversions, situated on a street renowned for some of Bristol's most impressive architecture.

Property Details

The communal gardens of Chatford House are a hidden gem. At the front, the apartment is accessed through a grand pillared carriage driveway entrance, featuring a gravel drive and off-street parking, along with a meticulously maintained garden. At the rear, there are two charming, fully accessible walled communal gardens, beautifully maintained for the residents. These gardens provide ample space for strolling, outdoor dining, and entertaining. Mainly consisting of lawns, they boast well-tended mature borders and pedestrian access from the rear onto Litfield Place.

Accessed via one of two entrances - directly from the communal rear garden, or alternatively via the sun room, this lower ground level apartment is a substantial space that whilst in need of modernising throughout, boasts immense potential.

Three bedrooms - each of which are comfortable double rooms - are located towards the front elevation of the property. The master bedroom retains original cornicing and sash windows, offers fitted wardrobes and a recess built into what was formerly a chimney breast conveniently accommodates furniture. An en suite, four-piece bathroom leads off from the master and is fitted with a WC, hand wash basin, bath, and separate shower enclosure. Sit adjacent to the master bedroom, bedroom 2 is also a comfortable double retaining original features as well as fitted wardrobes.

Bedroom three is a wonderfully quirky space, with arched ceilings with Georgian style panelling, working original sash window and working shutters.

The reception rooms both look out onto the garden, the larger of which also boasts stunning period features and impressive proportions. The kitchen is conveniently positioned next to the dining room and comes fully fitted with a range of base and wall-mounted units.

The main bathroom with three-piece suite, large utility cupboard and sun room complete the internal aspect of the property.
