## Property Details

Arranged over four floors and offering approximately 2800 sq.ft. of well-proportioned internal space, this five-bedroom Victorian mid-terrace residence is a delight.

A spacious hall with original detailing including newel post, picture rails and cornicing leads to a bay-fronted sitting room filled with natural light from large sash windows. This room also boasts an attractive fireplace, picture rails, and ceiling coving. Further along the hall, a dining room showcases similar features including an impressive fireplace, and ample space for a sizeable dining table, with a rear window providing a view of the garden. At the back, the generous kitchen (the first of two kitchens total) includes bespoke made solid wood cabinetry, an Aga range cooker, and space for additional appliances. A wrought iron spiral staircase descends to the kitchen-breakfast room, which features a range of wall and base units, a limestone floor with electric underfloor heating, and access to the level rear garden.

The first floor features three bedrooms including a master bedroom spanning the width of the property with large bay window, feature fireplace and other original detailing. A family bathroom with modern three-piece suite including shower-over-bath is also featured on this level.

Ascending to the second floor (split level), you will find a further three-piece bathroom - fitted with handsome panelling - and two bedrooms, the larger of which features an ensuite bathroom.

The south-facing garden is enclosed by boundary walls, enjoying sunlight for most of the day. It offers various seating areas perfect for al fresco dining and is fully landscaped with a patio, raised borders, and an assortment of plants, shrubs, and trees. Additionally, there is gated side access to the rear lane behind the property. To the front of the property there is off-street parking accessed via a gated entrance and laid to brick paving, as well as mature shrubbery.

## Vendor's Comments

"The house is perfectly situated. It has given my sons the best starting point in a great area of Bristol, close to good schools, great neighbours, a co-op(!) with coffee shops, tapas bars and a cinema nearby and just a few minutes' walk to the centre of town. The driveway is a godsend. The house has been very loved over our 21 years here and all improvements have been professionally done and sensitive to the character of the property. Every room gets flooded with natural light and the accommodation is very well arranged over the four floors.

The south facing garden is private and tranquil and a veritable suntrap. I designed the pond so that one can move around the garden with the movement of the sun. The workshop has potential to be converted and could be accessed from inside the house."
