HENLEAZE, BRISTOL, BS9 4NA  
Price Guide £1,000,000

A fine and substantial six-bedroom mid-terrace Victorian residence, situated on a highly desirable road in Henleaze with a large, south-facing garden and offering scope to extend.

## Property Details

Entered via a smart vestibule retaining original stain glass windows and ornate tiled flooring, into a hallway typical of the style of the property through partially glazed double doors.

The first reception room, located at the front of the property is a bay-fronted room with high ceilings, feature fireplace with log burning stove, coving and ceiling rose. At the end of the hallway is a semi open-plan kitchen/lounge-diner benefitting from plentiful natural light and allowing access to the garden.

The lounge area is fitted with a fireplace and log burner, large sash windows and hard flooring. A dining area in turn leads to a modern kitchen fitted with a range of integrated appliances and Corian worktops with a 10 year guarantee dated from 2016. A utility room is located at the very rear of the property, and an under-stairs WC located off the hallway.

Ascending to the first floor, you will find three bedrooms and a bathroom. The master bedroom is located at the front, a comfortable bay-windowed room with feature fireplace. Adjacent is a single bedroom currently in use as an office/study. A second double room offers views of the garden, ornate fireplace and cornicing, as well as built-in storage. At the rear of this floor is the main family bathroom, fitted with a four-piece suite including bath, walk-in shower enclosure, hand wash basin, and WC.

The second floor features three further bedrooms; each of the doubles featuring ornate fireplaces, and the rear bedroom also offering stunning, far-reaching views. The single bedroom would make for an ideal study. A four-piece bathroom with walk-in shower enclosure, bath, hand-wash basin and WC completes the level.

Externally, the property does not disappoint - a sizeable and level rear garden is south-facing and benefits from rear access. The garden is mainly laid to lawn, but also has a smart courtyard area accessible directly from the kitchen. The garden is a potential sun trap through the day given its aspect.
